

## **Polar Service Centers Opens New Locations in El Paso and Bakersfield**

**Houston, TX – (July 13, 2020)** – Polar Service Centers (PSC), the nation’s largest network of commercial parts and repair facilities dedicated to the tank trailer and tank truck industry, announced it has opened two new facilities in El Paso, Texas, and Bakersfield, California. This brings the total number of Polar Service Centers to 30.

“We are excited to continue expanding our network with these two new locations and reach our customers with expert parts and repair services to keep them up and running,” said Jerry Cignarella, President, Polar Service Centers.

Opened on June 1, the Bakersfield facility is located at 34915 Gazelle Court. It has six full-service bays and is equipped to provide a range of services and parts, including hydraulics, pumps and compressors, blowers, hoses and fittings. Online parts ordering and parts delivery are also available at the Bakersfield location.

The El Paso facility at 491 Darrington Road in Horizon City, Texas, opened on June 22. It features 13 full-service bays, a comprehensive selection of tanker parts and service, HM inspections, custom fabrication and more. Customers can order parts online as well as receive parts delivery for added convenience.
