

Polar Service Centers Announces Name Change to PSC

Houston, TX – (April 29, 2021) – Polar Service Centers, the nation’s largest network of commercial parts and repair facilities dedicated to the tank trailer and tank truck industry, announces it is rebranding to PSC. This will more closely align with the company’s core tenets: People, Service and Commitment.

- **People**

At PSC, we are The Tank Pros. Our facilities are staffed with tank industry professionals whose goal is to keep you and your fleet safe and on the road. Our highly skilled teams of parts sales and service technicians, and equipment salespeople deliver the lowest cost per mile to our customers. We are the experts who are on your side.

- **Service**

PSC provides the highest level of service in the industry. We utilize the newest technology, including a nationwide parts pricing system, repair tracking for the life of the unit and tablet-based inspections. With the nation’s largest network of parts and service facilities, the industry’s premier parts inventory, quality used equipment sales and cargo tank cleaning, PSC is there when you need us.

- **Commitment**

PSC is strongly committed to our customers and the tank trailer industry. We understand the costs of maintenance and keeping tank trailers in compliance with government regulations. PSC helps lower your cost of ownership. With the nation’s largest network, we are the one-stop shop for all tank trailer needs. PSC is committed to keeping you on the road.

“We are excited to move forward as PSC, supporting our company’s core pillars of people, service and commitment,” stated Jerry Cignarella, President, PSC. “They reflect our full engagement with delivering the highest levels of service and support to our customers. Our team is dedicated to upholding these principles every day.”

About PSC

PSC is the nation’s largest network of commercial parts and repair facilities dedicated to the tank trailer and tank truck industry. The company maintains certified tank trailer service centers throughout the U.S., providing HM-183 and D.O.T. inspections, as well as full service and tank repair. PSC is an Engineered Transportation International, LLC, company. PSC is headquartered in Houston, Texas.
